

# GOD, HOW DO YOU LOVE ME?

Written by Mary Anne Quinn    Illustrated by Sanja Rescek

See... Mama Lioness enjoys watching her cubs as they play.

They tug and tumble all day long.

She smiles as they grow big and strong.

That's how I love you.

Look, little one... Grandpa Gorilla seeks one lost.

Up and down and all around,  
Never resting till she's found.

That's how I love you.

Look, little one... Auntie Elephants gather all round.

They trumpet loudly with great joy,

To welcome this new baby boy.

That's how I love you.
